The Leanin' Dog
Custom Bookmark

*More than anything,
Dessa Dean needed
a friend. A friend to love
and confide in, a friend
with whom she could share
her heart. A friend who
would delight in all the
beauty and joy and fun of
Christmas, only four days
away.*

*Hope had just about run
out, but then . . . there came
a scratchin' at the door
and Dessa Dean's life was
forever changed.*

*The
Leanin'
Dog*
